14 November 2019

Dear parents/guardians,

In line with the earlier announcement from the Education Bureau, school will be suspended on November 15th (Friday).

All extra-curricular activities taking place at school are also canceled. Students are advised to stay at home and self-study, especially in preparation for the upcoming exams. On this note, please be prepared for students to receive online assignments from teachers through e-Class or other platforms, so that we can continue our learning even outside the campus.

Thank you for your understanding and cooperation in safe-guarding the student's safety. We hope to see everyone safely back on the Hill soon.

Yours sincerely,
