Notice No.: SN/2007-106

REVISED

10 July 2020

Dear parents and guardians,

Exam Arrangements for Next Monday

With reference to the notice issued in the evening of 9 July and the recent announcements from the EDB, the School has decided that the examinations on upcoming Monday (13 July) will take place as scheduled. This decision has been reached with consideration to the fact that G8 Mathematics is a core subject that contributes to the overall position of the student and the G9 and G11 exams will have significant impact on the students' subject choices in the senior forms as well as preparation for public exams and further studies.

The school will keep a keen eye on the ongoing circumstances; if there are any further changes, they will be posted to the school website before 6am on Monday morning. Please be reminded to check the website before sending your child to school on Monday.

Furthermore, there will be alternate arrangements for all school activities scheduled from 14 July onwards, such as return of marked scripts and results slips, etc. Please stay tuned for further notices and we thank you for your understanding and cooperation.

Yours faithfully,
