Notice No.: SN/2008-105

31 August 2020

Dear Parents / Guardians,

In accordance with the Secretary of Education's remarks during the government press conference earlier today, the School will adopt a phased approach to class resumption. For both the IB and NSS sections, our resumption schedule is summarized as follows:

Grade 12 will resume classes at school on Wednesday, 16 September  
Grades 7 and 11 will resume classes at school on Wednesday, 23 September  
Grades 8, 9 and 10 will resume classes at school on Tuesday, 29 September

As safety is our primary concern, students are strongly advised to proceed with eLearning arrangements at home through Zoom and avoid returning to school before the aforementioned resumption dates for their respective grade levels.

The School will issue a notice with further details on the logistical arrangements of class resumption by Wednesday, 2 September. Please stay tuned to the DBS School website for further updates on this changing situation.

Thank you for your attention.

Yours faithfully,

---

R.K.Y. Cheng  
Headmaster
